FATMA YAREN BÎRBEN

SEARCH QUALITY & AI EVALUATION SPECIALIST

AI Marketing • Data Annotation • SEO • LLM Evaluation

EXPERIENCE

July 2026 – September 2026

General AI Fluency Intern | [FlyRankAI](#) | Remote

- Developing practical AI fluency across AI marketing, search, content, and productivity workflows.
- Applying AI tools and structured prompting/evaluation approaches to research and professional projects.
- **SheiLa AI — AI Research & Opportunity Intelligence Agent** — Developed and deployed an AI-powered research and opportunity intelligence application focused on Artificial Intelligence, AI Search, AEO, GEO, SEO, digital marketing, jobs, internships, fellowships, and freelance opportunities. Designed the system to research current information, evaluate sources, and deliver structured, evidence-based insights. **Live:** <https://sheila-ai-one.vercel.app>
- **Personal Portfolio Website** — yarenbirben.com.tr — Designed and developed a personal portfolio website to showcase my professional experience, projects, skills, and AI/search-related work, with responsive desktop and mobile design, custom domain integration, and web analytics.

July 2026 – September 2026

AI Marketing Intern | [FlyRankAI](#) | Remote

- Developed an AI-focused newsletter covering AI Marketing, SEO, GEO, AEO, and AI visibility.
- Wrote and published the Medium article "Want Better AI Visibility for Your Ecommerce Brand? Try These 5 AEO and GEO Tools," focused on improving visibility across AI-powered search and answer engines.
- Developed the capstone "Consistency and Reputation: A Working Framework for Earning Citations Across ChatGPT, Perplexity, Claude, and Gemini," including an AI visibility framework, Brand AI Footprint Audit, and measurement approach for AI-referred visibility, traffic, and revenue.
- Created a YouTube Platform Playbook for BattlBox covering product demonstrations, gear testing, storytelling, and audience engagement.
- Completed a BattlBox copywriting assignment aligned with brand positioning and audience needs.
- Developed the "State of AI-Driven SEO 2026" Content Campaign Package with a one-week omnichannel strategy.
- Created a Beauty & Skincare Marketing Playbook for Moon and Skin.
- Conducted Before/After Ad Analysis for Bubs Naturals, Vital Proteins, and Sports Research.
- Developed a landing page for FlyRank using AI marketing, SEO, conversion-focused content, messaging, and UX principles.
- Created social media campaigns using Google Ads, Facebook Ads, and other tools; monitored web traffic and supported email, market research, proofreading, and advertising copy workflows.

March 2025 – August 2026

Search Engine and Quality Evaluation Specialist | [Yandex](#) | Remote

- Evaluated search engine results based on usefulness, accuracy, safety, and source reliability.
- Performed Page Quality Evaluation (PQE) using structured rating guidelines.
- Conducted Side-by-Side (SxS) comparisons to assess ranking quality.
- Applied structured frameworks to evaluate LLM outputs for relevance, factual accuracy, completeness, readability, and hallucination detection.
- Supported search quality, AI response evaluation, data labeling, and relevance-judgment projects in Turkish and English.

March 2026 – July 2026

Data Annotator | [Welocalize](#) | Remote

- Performed relevance assessment and quality rating tasks in Turkish and English for AI-driven systems.
- Supported AI model evaluation workflows and identified issues through structured analysis.
- Provided solutions to problems, collaborated with team members, and maintained consistent quality and productivity.
- Prepared written communications, documents, and reports and contributed to process improvement.

January 2024 – January 2025

English Tutor | [Freelance](#)

- Provided tailored English instruction to high school and university preparatory students, focusing on reading, writing, and speaking.

COURSES

- Mastering Advanced Keyword Research for SEO — Udemy
- ChatGPT PromptEngineering for Developers — DeepLearning.AI
- Fundamentals of Digital Marketing — Google (via IBM SkillsBuild)
- **Italian Language School - (2019-2021)**
Took Italian lessons at the university as a second foreign language because it is mandatory to graduate. After I graduated from Özyeğin University, I wanted to improve my Italian further.

EXAMS & CONFERENCES

- 2024 — KPSS score: 78/100.
- 2023 — KPSS score: 68/100.
- 2016 - Landmark Worldwide Conference Istanbul: three-day personal development. (Info: <https://landmarkworldwideturkey.com/>)

PROFILE & INTERESTS

Proactive, detail-oriented, innovative, curious, self-motivated, and hardworking professional interested in international politics, AI marketing, LLM evaluation, data labeling and data analysis, AI response and search engine evaluation, and SEO. Enjoys learning foreign languages, travelling abroad (9 European countries so far), swimming, listening to music, watching films and TV series, reading, researching new topics, and helping others solve complex problems. Animal and nature lover.

- Developed customized lesson plans based on individual learning goals and confidence gaps.
- Planned lessons covering reading, grammar, spelling, and language development and supported students through challenging topics.

November 2022 – December 2023.
Logistics Operations Specialist | TSI Logistics

- Managed end-to-end international logistics operations and coordinated communication with European clients by phone and email. Negotiated pricing offers, managed customer relations, prepared shipping documentation such as CMRs, and supported international shipping projects through operational coordination and problem-solving.
- Collaborated with staff to formulate budgets and improve department revenue.
- Promoted a safe working environment through regulatory standards, policies, and guidelines.
- Developed team communications and information for meetings.
- Engaged with customers to understand needs and deliver excellent service.
- Built and maintained effective working relationships and resolved customer problems using clear, step-by-step communication.

March 2021 – September 2022
Export Sales Consultant | Mendoza Leather & Jewelry

- Facilitated the export of premium products from Türkiye to Italy, Russia, Germany, and other international markets. Managed customer relations, provided product-selection support in English, and maintained high customer satisfaction in a multicultural business environment.
- Executed the complete sales cycle from prospecting through contract negotiation and closing.
- Determined prospect needs, provided product recommendations, demonstrated product benefits, and shared brand/product knowledge.
- Secured new clients through targeted prospecting and networking.
- Maintained customer records, processed sales documentation, documented orders, and coordinated deliveries.
- Used social media platforms to reach prospective clients and cultivate customer relationships.

May 2019
Interviewer | Graduation Project

- Conducted an interview with Süheyla Demir, a Turkish journalist, newsreader, and the foreign news manager of Haber Global, for my graduation project. I asked her many questions about global political issues related to Russia, Syria, and Turkey.

2017 – 2019
English Tutor | Freelance (While Studying)

- While I was studying at the university, I taught English to some high school students.

EDUCATION

September 2013 – May 2019
Bachelor of Arts, International Relations
Özyeğin University, Istanbul

- Completed studies entirely in English with a 50% scholarship.
- Developed a strong analytical perspective on global politics, international law, research, and cross-cultural communication.
- University activities and societies: Theater Club, Music Club, International Relations Club, Tennis Club, Swimming Club.

September 2009 – June 2013

High School
Çengelköy High School, Istanbul

- Mathematics, Chemistry, Physics, and Biology; final average 75/100.
- Received 6 Certificates of Appreciation (Takdir Belgesi) and participated in Debate Club, School Marching Band, and Poetry Club.
